

ACE Day at ZDT's **ZDT'S** Amusement Park

Come join us on Sunday, October 17th following our Fright Bash event at Fiesta Texas for ERT on *Switchback* and Go-Karts followed by lunch and a game. Everyone will receive an extreme wristband to enjoy all the attractions all day!

ZDT's first opened their doors in 2007 with 5 indoor attractions. The park has quickly expanded over the years to add indoor/outdoor go karts, a parachute drop, an arcade, waterslides and several other attractions for guests of all ages to enjoy. In 2015 they added their largest attraction, *Switchback*, designed by The Gravity Group.

Switchback is the world's *first* and *only* modern wooden shuttle coaster, meaning this roller coaster goes both backwards *and* forwards! Experience the thrill of the 104-degree overbanked turn, tunneling around and through a building, and finally up the Grand Spike! Riders will be thrown straight up in the air to a record breaking 87 degree near-vertical angle, only to fall backwards and ride the track again in reverse!

ZDT's is open all year and offers free parking. While there are several food options available, guests are also free to bring their own food and drinks while enjoying the outdoor section of the park.
