# COVID-19 Notice

The greatest concern of American Coaster Enthusiasts is the health, safety and enjoyment of its members. To ensure continued safety, ACE is closely monitoring the ever-evolving COVID-19 situation. As a result, we ask that you respect the wishes of ACE and the park.

Please follow and respect all safety procedures instituted by Fiesta Texas, our host for the event. This includes wearing face coverings as requested by the park. If you feel you cannot follow the procedures put in place by the park, please do not register for the event. Since this is a constantly changing situation and will most likely change after the publish date of this event flyer, you can view the most up to date information from Fiesta Texas here:

<https://www.sixflags.com/fiestatexas/plan-your-visit/safety-protocols>

When arriving for morning event check-in at the park, as a courtesy to the volunteers working, please wear a face covering when approaching the check-in area. The volunteers will be wearing a face covering as well. We likewise suggest and encourage wearing face covering when in close proximity to one another when socializing prior to entering the park.

We realize that many of you attending may be seeing some of your ACE friends for the first time in quite a while. We know that you'll be happy to see one another, but given health concerns, we kindly ask that you refrain from shaking hands, hugging and any other physical contact outside those in your group/family. Everyone has different comfort levels in terms of being in close proximity to others. Please be respectful of other members and allow a six-foot distance between one another, unless it's made clear by all involved that closer proximity is welcomed.

If there are any major changes to this information, updates will be provided through Facebook as well as email to those that have registered.
