

ACE South Central Region and Schlitterbahn New Braunfels Waterpark & Resort present:

SCHLITTERCON 17

AN ACE EVENT

May 29-30, 2021

www.schlitterbahn.com/ace

SchlitterCon, at the World's Best Waterpark, has become one of the most anticipated ACE events of the year! Splash into summer over Memorial Day Weekend with surf, sun, food, and fun at Schlitterbahn New Braunfels!

For over 40 years Schlitterbahn has become the gold standard in waterpark innovations: The Boogie Bahn, Master Blaster, Torrent Wave River, Dragon's Revenge, The Falls, iconic tube chutes, and Heated Swim-up Bars. Schlitterbahn is an oasis in the Texas Hill Country. Along with being the "World's Best Waterpark" 22 consecutive years, Schlitterbahn is home to numerous "Best New Rides", and the Master Blaster still stands tall as a signature "water coaster" as it celebrates 25 years in 2021. SchlitterCon guests get an up close and exclusive opportunity to experience the BEST of Schlitterbahn!

We are excited to welcome ACE members for two full days of fun. For SchlitterCon 17, in honor of the **25th Anniversary of Blastenhoff** and the **30th Anniversary of Surfenburg** (and the Boogie Bahn) we'll be celebrating the grunge and the glitter of EVERYTHING 90s! This regional event makes a perfect Memorial Day weekend escape and a wonderful way to officially kick off summer. SchlitterCon will look a little different in 2021. On day one, experience Schlitterbahn at your own pace with meal included. Day two will include ERTs, brunch, dinner, giveaways, and more.

All this for an advance rate of \$50 for members. All attendees are expected to follow the ACE Code of Conduct which can be found at www.aceonline.org/conduct. Due to reduced capacity, for this year only, the event is restricted to current ACE members only. Given the nature of this event and restrictions associated with the current health crisis, the event has a maximum capacity of 150 persons.

In order to make sure that we don't exceed the 150 persons, registration will be online only through Ticketleap. Once the limit has been reached, sales will automatically stop. At that time we will open a waiting list on the Ticketleap event page. If there are people that are unable to attend the event and notify us prior to the event the first people in line on the wait list will be contacted.

The deadline to register is Friday, May 21st or when we hit 150—whichever comes first.

Tentative Schedule*

Updated schedule will be presented at check-in

Saturday, May 29th (The park is open 11:00 AM to 6 PM)

11:00 AM—Complementary admission for the day. Meal band provided for lunch (or dinner) at your leisure.

All attendees are expected to follow the ACE Code of Conduct which can be found at www.aceonline.org/conduct/

COVID-19 Notice

The greatest concern of American Coaster Enthusiasts is the health, safety and enjoyment of its members. To ensure continued safety, ACE is closely monitoring the ever-evolving COVID-19 situation. As a result, we ask that you respect the wishes of ACE and the park.

Please follow and respect all safety procedures instituted by Schlitterbahn New Braunfels, our host for the event. This includes wearing face coverings as requested by the park. If you feel you cannot follow the procedures put in place by the park, please do not register for the event. Since this is a constantly changing situation and could change after the publish date of this event flyer, you can view the most up to date information from Schlitterbahn here:

[Waterpark Reopening Protocols](#) | [Health & Safety](#) | [Schlitterbahn](#)

When arriving for morning event check-in at the park, as a courtesy to the volunteers working, please wear a face covering when approaching the check-in area. The volunteers will be wearing a face covering as well. We likewise suggest and encourage wearing face covering when in close proximity to one another when socializing prior to entering the park.

We realize that many of you attending may be seeing some of your ACE friends for the first time in quite a while. We know that you'll be happy to see one another, but given health concerns, we kindly ask that you refrain from shaking hands, hugging and any other physical contact outside those in your group/family. Everyone has different comfort levels in terms of being in close proximity to others. Please be respectful of other members and allow a six-foot distance between one another, unless it's made clear by all involved that closer proximity is welcomed.

If there are any major changes to this information, updates will be provided through Facebook as well as email to those that have registered.

**Make sure to use #FloatWithACE and
#Schlittercon in your posts!**
