# ACE Day At SeaWorld San Antonio

**March 21, 2020**

Join us on Saturday March 21 as we return to SeaWorld San Antonio for our first regional event during the operating season at the park since 2004! Attendees will be treated to a full day of fun with ERT on all the coasters, breakfast, dinner and more!

New for 2020 is *Texas Stingray*. Built by Great Coasters International and featuring a 100-foot drop, a track length of 3,379 feet and a top speed of 55mph, *Texas Stingray* is the tallest, longest and fastest wooden roller coaster in the state and the only new wooden coaster in the U.S. to open this year!

After a continental breakfast, attendees will be treated to an hour of ERT on this great new attraction as well as other nearby rides to start off the day. Throughout the event, attendees can take part in some behind-the-scenes tours. Following dinner, the day will end with an hour of ERT on *Steel Eel*, *Great White* and *Wave Breaker*. A special gift will also be handed out during the event to all attendees.

In addition to the scheduled activities, there is plenty to do at SeaWorld to fill a full day with more rides and several great shows and animal exhibits.

SeaWorld has offered ACE a great event at a great price, so don't delay and register now before it is too late. There will be no registrations accepted once the deadline has passed.
