# ACE Day At SeaWorld San Antonio

## November 7, 2020

Join us on Saturday November 7th as we return to SeaWorld San Antonio for our first regional event during the operating season at the park since 2004! Attendees will be treated to a full day of fun with ERT on all the coasters, breakfast, dinner and more!

New for 2020 is *Texas Stingray*. Built by Great Coasters International and featuring a 100-foot drop, a track length of 3,379 feet and a top speed of 55mph, *Texas Stingray* is the tallest, longest and fastest wooden roller coaster in the state and the only new wooden coaster in the U.S. to open this year!

After arriving, attendees will be treated to an hour of ERT on this great new attraction as well as other nearby rides to start off the day. Throughout the event, attendees can take part in some behind-the-scenes tours. Following dinner, the day will end with an hour of ERT on *Steel Eel*, *Great White* and *Wave Breaker*. A special gift will also be handed out during the event to all attendees.

In addition to the scheduled activities, there is plenty to do at SeaWorld to fill a full day with more rides and several great shows and animal exhibits.

SeaWorld has offered ACE a great event at a great price, so don't delay and register now before it is too late. There will be no registrations accepted once the deadline has passed.

### Tentative Schedule\*

- Before 11am—Check in at front gate. Please do not be late!
- 11:00am-Noon—ERT on *Texas Stingray*, Riptide Rescue and Sea Swinger. Turtle Reef viewing open for guests

# COVID-19 Notice

The greatest concern of American Coaster Enthusiasts is the health, safety and enjoyment of its members. To ensure continued safety, ACE is closely monitoring the ever-evolving COVID-19 situation. As a result, we ask that you respect the wishes of ACE and the park.

Please follow and respect all safety procedures instituted by SeaWorld, our host for the event. This includes wearing face coverings as requested by the park. If you feel you cannot follow the procedures put in place by the park, please do not register for the event. Since this is a constantly changing situation and will most likely change after the publish date of this event flyer, you can view the most up to date information from SeaWorld here:

<https://seaworld.com/san-antonio/park-info/park-safety/>

When arriving for morning event check-in at the park, as a courtesy to the volunteers working, please wear a face covering when approaching the check-in area. The volunteers will be wearing a face covering as well. We likewise suggest and encourage wearing face covering when in close proximity to one another when socializing prior to entering the park.

We realize that many of you attending may be seeing some of your ACE friends for the first time in quite a while. We know that you'll be happy to see one another, but given health concerns, we kindly ask that you refrain from shaking hands, hugging and any other physical contact outside those in your group/family. Everyone has different comfort levels in terms of being in close proximity to others. Please be respectful of other members and allow a six-foot distance between one another, unless it's made clear by all involved that closer proximity is welcomed.

If there are any major changes to this information, updates will be provided through Facebook as well as email to those that have registered.
