# ACE Day At SeaWorld San Antonio

**November 20, 2021**

Join us on Saturday November 20th as we return to SeaWorld San Antonio during their Christmas Celebration. Experience the sights and sounds of Christmas as you enjoy a day in the park.

SeaWorld is home to the only wooden coaster built in 2020, *Texas Stingray*. Built by Great Coasters International and featuring a 100-foot drop, a track length of 3,379 feet and a top speed of 55mph, *Texas Stingray* is the tallest, longest and fastest wooden roller coaster in the state

After arriving, attendees will have an hour of ERT which will then be followed by lunch. Throughout the event, attendees can take part in some behind-the-scenes tours (TBD). Following an Italian buffet dinner, the day will end with an hour of ERT on *Steel Eel*, *Great White* and *Wave Breaker*.

In addition to the scheduled activities, there is plenty to do at SeaWorld to fill a full day with more rides and several great shows and animal exhibits.
