ACE Day At SeaWorld San Antonio

November 19, 2022

Join us on Saturday November 19th as we return to SeaWorld San Antonio during their Christmas Celebration. Experience the sights and sounds of Christmas as you enjoy a day in the park.

New for 2022 is Tidal Surge—the tallest and fastest of its kind in the entire world! Swinging back and forth at speeds up to 68mph and 135 feet in the air riders can take in great views of the park as well as experience multiple airtime moments.

After arriving, attendees will have an hour of ERT on Tidal Surge, *Texas Stingray*, Riptide Rescue and Sea Swinger, which will then be followed by lunch. Attendees will have the afternoon to explore the park at their own pace. There will also be reserved show seating for a new holiday show and possibly other activities. Following a BBQ dinner, the day will end with an hour of ERT on *Steel Eel*, *Great White* and *Wave Breaker* after closing.

In addition to the scheduled activities, there is plenty to do at SeaWorld to fill a full day with more rides and several great shows and animal exhibits.
